Please find attached details of the menu proposal for your “Dinner Party Takeaway” for up to 12 guests.

All of the meat and vegetables I cook with come from Neath Market to ensure local supplies and consistent quality.

I would prepare all of the food at our premises in Neath and you can collect the meal on Saturday morning. All of the food will be supplied in foil containers with reheating/serving instructions for your convenience. I have tried to devise the menu so that you have the least preparation prior to the meal, you should be able to reheat and place in serving dishes / on plates with the minimum of fuss.

I have based the menu on 12 guests, the cost will be between £12 and £20per head, depending on the menu choices you make. When we confirm the menu, I will be able to give you an accurate price.

Should you wish to make any changes to the menu proposal, I am quite flexible and willing to make any changes.

When you have had a chance to consider the menu, should you wish to book me, please telephone me to discuss the choices and confirm the booking.

Yours sincerely,

Sian Hindle.
